

Oliver Kuhn nomination for CSEG Honorary Membership

Oliver has contributed to the CSEG in many ways for many years. Oliver is a highly respected member of our community, only partly for the reasons that we list below. As a result, we feel that Oliver should be considered for a CSEG Honorary Membership.

Oliver has:

- Been involved with the CSEG in many ways throughout the years
- Been president of the CSEG
- Been Technical Chair for the CSEG Convention
- Been an Editor for the CSEG Recorder
- Along with Satinder, started the Interview section of the Recorder
- Written over 70 Science Break articles for the Recorder
- Has managed a couple of important geophysical companies, Geo-X and Quantec, in a couple of different disciplines, seismic and EM
- Has influenced and mentored numerous geophysicists over his long career

Sincerely,

David Gray
