

Nomination of Wendell Pardasie for CSEG Outstanding Volunteer:

I would characterize Wendell as the ultimate tireless advocate of everything in Geophysics including the CSEG's technical events' outreach and organization. Wendell's infectious enthusiasm permeates his interaction with Geophysicists within the CSEG and throughout the world, as evidenced by his highly successful management of Qeye's business and his outstanding CSEG volunteer activity. His recent CSEG Symposium committee chairmanship that led to a very successful 2022 Symposium, is further evidence of his passionate volunteerism and commitment to furthering the science of Geophysics within Calgary and throughout North America. Furthermore, Wendell actively participates, promotes and sponsors CSEG events such as technical luncheons, Doodletrain courses and social events for the benefit of the society and its members.

For these reasons I recommend and strongly support Wendell for the CSEG's Outstanding Volunteer award.
